

*Dear Colleague,*

We are delighted to inform you that the **10<sup>th</sup> Spring Meeting of the International Society of Electrochemistry will be held in Perth, Australia from April 15 to 18, 2012.**

The Meeting is focused on “**New approaches to nanostructuring electrodes for electroanalysis and energy storage**”.

Abstracts for poster and oral, invited oral and keynote presentations may now be submitted through the meeting website at <http://event10.ise-online.org>

**The closing date for submission of abstracts is 2 December, 2011.** Abstracts received after this date will not be considered. Please note that it is necessary to first establish your meeting account on the website. You will then be sent an email with your unique password.

AINSE will provide some travel support for students presenting either an oral or poster. People wishing this support should send Mrs Sandy O'Connor [sjo@ansto.gov.au](mailto:sjo@ansto.gov.au) an email, attached to the email notifying them of the acceptance of their paper, along with their preferred travel times and dates. AINSE will then book and pay for airfares.

We look forward to welcoming you in Perth.

With best wishes,

*Manickam Minakshi*
