ANA 2009 CONFERENCE - FIRST ANNOUNCEMENT

Friday, 2 October 2009

Sydney Mechanics School of Arts, 280 Pitt St, Sydney, NSW

***THEME: NUCLEAR SCIENCE & TECHNOLOGY
IN AUSTRALIA AND THE WORLD***

The ANA's 8th biennial conference will provide an update on progress on all aspects of the peaceful uses of nuclear science and technology.

The keynote speaker will be Dr Ziggy Switkowski, Chairman ANSTO

Program: The program will comprise invited speakers and a panel discussion on opportunities and challenges for a nuclear future for Australia and the World. Invited speakers will address the following topics:

- "Prospects for Nuclear Power and the Fuel Cycle in Australia"
Keynote Opening Address
- "ANSTO's Future Program"
Dr Adrian Paterson, Executive Director, ANSTO
- "Australia's Uranium in the World Context"
Dr Ian Lambert and Mr Aden McKay, Geoscience Australia, Canberra
- "The World Nuclear Power Scene"
Dr Selena Ng, Business Development Manager, Areva
- "From Uranium to Waste: Developments in the World's
Nuclear Fuel Cycle"
Dr Clarence Hardy, ANA
- The Role of the Australian Institute of Nuclear Science
and Engineering (AINSE Ltd)
Professor Alan Chivas, President, AINSE Ltd
- "Developments in World Demand & Supply of Medical Isotopes"
Mr Ian Turner, General Manager, Australian Radioisotopes
- "The Role of the International Commission on Non-Proliferation
and Disarmament and Challenges to Safeguards and Non-proliferation"
Dr Geoffrey Shaw, Assistant Secretary, ASNO, Canberra
- "The Need for Community Involvement in Siting Nuclear Industry"
Dr Ian Duncan, Consultant, Perth
