

# NOTICE OF PENDING VACANCY ON THE BOARD OF AINSE LTD.

The Australian Institute of Nuclear Science and Engineering (AINSE Limited) enhances the capability of Australia and New Zealand in nuclear science, engineering and related research fields by facilitating world-class research and education.

AINSE offers a range of programs and services to its members including generous conference support, inspiring symposiums, Honours/Postgraduate scholarships and intensive education schools. These benefits aim to foster scientific advancement and promote an effective collaboration between AINSE members and ANSTO.

AINSE currently has 42 institutional members comprising of ANSTO, CSIRO, and 40 Universities (34 Australian Universities and 6 New Zealand Universities). AINSE is also taking on industry and individual members.

*AINSE is committed to equal opportunity and diversity in the workplace.*

**Number of Paid Staff:** 5-8.

**Current Board Size:** 9.

**Board Meetings:**

4 times per year minimum.

**Other Meetings:**

Annual General Meeting in May and General Meeting in November/December annually.

**Meetings Held:**

9am–1pm on weekdays.

**Location of Meetings:**

Predominantly Lucas Heights, NSW and occasional interstate meetings.

## Independent Director Vacancy

**Term:** 3 year term; option to serve for further 3 years.

**Director's fee:** \$1,000 per meeting and all expenses covered.

**Area of expertise being sought:**

The Independent Director will have industry experience relevant to nuclear science and engineering and, in particular, in the nexus between research and industry. They will have knowledge and skills in one or more areas of: strategy, finance, government/education/industry relationships, research programs, and governance.

Prior board experience is desirable.

The independent director is not a member, or employed by a member, of AINSE Ltd.
