

AINSE 2019 WISE SCHOOL

WOMEN IN STEM AND ENTREPRENEURSHIP

LUCAS HEIGHTS, SYDNEY
3–6 DECEMBER 2019

Mentoring the next generation of leaders

Explore groundbreaking research and innovation undertaken at ANSTO's landmark research infrastructure. Meet the women in leadership roles within these fields and connect with established leaders who can mentor you throughout your future studies.

Women in their first year of undergraduate studies interested in exploring the exciting career opportunities in nuclear science and engineering are encouraged to apply.

Interested students should contact their university AINSE Councillor for details on how to apply.

For further information (including contact details for AINSE Councillors), please visit the AINSE website or contact AINSE.
