The end date of the Award is the expiry date of the recipient’s RTP or equivalent primary scholarship. The Award will ordinarily be renewed on 1st July each year until the recipient’s RTP or equivalent primary scholarship expires, subject to annual review by AINSE.

1.3 Applicants must read these terms and conditions before filling out an application.

   2.3.3 has a funding period encompassing the full remaining standard duration of the applicant’s RHD; and

   2.3.4 is advertised, by the University body governing scholarships, to all eligible students of the University; and

   2.3.5 is awarded via a peer-reviewed merit-based selection process.

2.4 Project: a supervised research undertaking that will be submitted for the award of an RHD.

2.5 Research Higher Degree (RHD): a Research Doctorate or Research Masters degree.

2.6 Research Training Program (RTP): a scholarship administered by individual universities on behalf of the Australian Government Department of Education, Skills and Employment to support students undertaking an RHD.

2.7 University: The financial member institution of AINSE at which the recipient is enrolled in an RHD.

3. Eligibility Criteria

3.1 AINSE Postgraduate Research Awards may be offered:
3.1.1 To scholars who are enrolled in a Research Higher Degree at a financial member university of AINSE during the award period stipulated in Section 1.2; and

3.1.2 To scholars who have an approved Research Training Program (RTP) or equivalent primary scholarship as certified by the University body governing scholarships; and

3.1.3 For as long as the scholar’s RTP or equivalent primary scholarship is current; and

3.1.4 Subject to satisfactory progress as determined by the annual review of submitted progress reports, on a form provided for that purpose, by AINSE Specialist Committees (see Section 8.1).

4. Tenure

4.1 Tenure of an AINSE Postgraduate Research Award is conditional upon the recipient meeting security clearance requirements at ANSTO.

4.2 Wherever possible, the recipient will be required to spend four weeks per calendar year attached to an ANSTO facility, or other AINSE-supported facilities, for the purposes of training and facility usage in connection with the approved Project.

4.3 The commencement date of the Award is 1st July 2021. The renewal date of the Award is 30th June 2022. The end date of the Award is the expiry date of the recipient’s RTP or equivalent primary scholarship. The Award will ordinarily be renewed on 1st July each year until the recipient’s RTP or equivalent primary scholarship expires, subject to annual review by AINSE.

4.3.1 If the recipient’s RTP or equivalent primary scholarship is suspended, the PGRA will be suspended for the same period of time.

4.3.2 If the end date for the recipient’s RTP or equivalent primary scholarship is extended, the PGRA end date will be extended to match, subject to AINSE’s discretion.

4.3.3 If the RTP or equivalent primary scholarship is amended due to a change in the recipient’s candidature between full-time and part-time, the PGRA will be adjusted on a monthly pro rata basis.

4.3.4 Alterations to the PGRA as outlined in Section 4.3.1, 4.3.2 and 4.3.3 will be subject to AINSE receiving documentation from the University body governing scholarships confirming the change to the recipient’s RTP or equivalent primary scholarship.

4.4 AINSE may terminate a current Award at any time if it is not satisfied with the progress or conduct of a recipient, or if the recipient fails to meet any security clearance requirements at ANSTO, or if the university at which the recipient is enrolled ceases to be a financial member of AINSE.

5. Project

5.1 The Project shall be proposed by the nominating University and require the use of at least one ANSTO facility.

5.2 The objective(s) of the Project shall not be changed without the prior written approval of AINSE.
5.3 The University will appoint at least one suitably-qualified member of staff from ANSTO as a co-supervisor of the Project.

5.4 The ANSTO co-supervisor(s) referred to in Section 5.3 shall be responsible for assisting the recipient in reviewing their ANSTO Research Portal application(s) to ensure required standards are met.

5.5 Access to ANSTO facilities is not guaranteed.

5.6 AINSE does not accept any responsibility for the consequences of ANSTO facilities becoming unavailable.

6. Stipend

6.1 Amount:

6.1.1 The stipend during tenure of the Award will be at rates announced by AINSE. The rate applicable from 1st July 2021 will be A$8,250 per annum excluding GST.

6.1.2 The stipend is for the exclusive use of the recipient only and is not transferable to another party.

6.1.3 Where the recipient’s RTP or equivalent primary scholarship is in operation for a period of less than a year, the stipend amount will be reduced on a monthly pro rata basis to match the remaining time period.

6.1.4 The amount of the stipend will be reduced in cases where the recipient is in receipt of scholarship(s) top-up stipends whose total value is greater than 75% of the RTP stipend. In some cases an Award may be made without stipend.

6.2 Payment:

6.2.1 The stipend will be paid directly to the University upon receipt of a tax invoice, and is then paid to the recipient in accordance with the University policy.

6.2.2 Any transaction fees incurred in paying the stipend to the recipient must be borne by the University.

6.2.3 Responsibility for any potential taxation liability lies with the Award recipient. Independent tax advice should be sought by the recipient where required.

6.2.4 The stipend will be paid to the University once a year with effect from the Award commencement date or anniversary of that date.

6.3 Return of Funds:

6.3.1 Should the recipient relinquish, or AINSE terminate the Award for any reason, the University will be required to refund the remaining stipend and pre-paid travel funds to AINSE as calculated on a monthly pro-rata basis. This may require reimbursement of the remaining funds to the University by the recipient as calculated on a monthly pro-rata basis.

6.3.2 Should the University cease to be a financial member of AINSE, the University will be required to refund the remaining stipend to AINSE as calculated on a monthly pro rata basis. In such a scenario, the recipient is advised to contact AINSE for guidance.
