RESIDENTIAL STUDENT SCHOLARSHIP

Annual package:

Stipend of **A\$7,500 per annum.**

Up to **A\$5,000 per annum** travel and accommodation allowance.

AINSE are seeking expressions of interest from **postgraduate students** holding an RTP (or equivalent) scholarship.

Candidates must be available to spend a significant period of time at an ANSTO facility (at Lucas Heights, Clayton and/or Camperdown) for **an average of six months or more per year** either as a block of time or separate visitations.

Eligible candidates will have a project topic closely aligned with any of the strategic focus areas for **ANSTO's research programs**:

- The Environment
- Human Health
- Nuclear Fuel Cycle

Opportunities may also exist for postgraduate students interested in contracted research and industrial engagement projects in the defence industry area, and for postgraduate students interested in fusion research that aligns with ANSTO and ITER activities.

Please note: Current AINSE PGRA students awarded this scholarship would relinquish the AINSE PGRA.

For further information, including terms & conditions and an ANSTO Research Capabilities & Facilities Guide, please visit the AINSE website.
