

AINSE 2022 WISE SCHOOL

WOMEN IN STEM AND ENTREPRENEURSHIP

ONLINE EVENT
28 Nov – 2 Dec 2022

Mentoring the next generation of leaders.

Explore groundbreaking research and innovation undertaken at ANSTO's landmark research infrastructure. Meet the women in leadership roles within these fields and connect with established leaders who can mentor you throughout your future studies.

Female-identifying students in their first year of undergraduate studies who are interested in exploring the exciting career opportunities in nuclear science and engineering are encouraged to apply.

Interested students should complete the Expression of Interest form [available here](#).

For further information (including an Expression of Interest form), please visit the AINSE website or contact AINSE.
