

# AINSE RSS 2024

## RESIDENTIAL STUDENT SCHOLARSHIP

**APPLY NOW!**

Become an AINSE RSS Scholar and receive ongoing support throughout your postgraduate degree:

- Stipend of **A\$9,000 per annum**.
- **Extended travel and accommodation support** to work at ANSTO facilities for a minimum of 6 months per year (on average).

We are currently seeking PhD students undertaking research projects closely aligned with any of the strategic focus areas for **ANSTO's research programs**:

The Environment • Human Health • Nuclear Technologies

Opportunities may also exist for PhD students interested in contracted research and industrial engagement projects in the defence industry area, and for PhD students interested in fusion research that aligns with ANSTO and ITER activities.

**For further information, including terms & conditions and an ANSTO Research Capabilities & Facilities Guide, please visit the AINSE website.**
