

AINSE 2024 WISE SCHOOL

WOMEN IN STEM AND ENTREPRENEURSHIP

HYBRID EVENT: 2–6 DECEMBER 2024

Mentoring the next generation of leaders.

Explore groundbreaking research and innovation undertaken at ANSTO's landmark research infrastructure. Meet women in leadership roles within these fields, together with inspiring STEM professionals from a variety of backgrounds and experiences, and connect with established leaders who can mentor you throughout your future studies.

Female students in their first year of undergraduate studies (any degree!), who are interested in exploring the exciting career opportunities in nuclear science and engineering, are encouraged to apply.

The AINSE WISE School includes:

- An **ongoing mentorship program** with ANSTO and AINSE leaders in your area of interest;
- **Virtual tours of ANSTO research facilities**, including the OPAL multipurpose reactor and Australian Centre for Neutron Scattering;
- **Workshops, panel sessions** and highprofile **guest speakers**; and
- **Networking opportunities** with ANSTO researchers and students from across Australia and New Zealand

Interested students should complete the Expression of Interest form through the AINSE Grants Platform linked [here](#).

For further information and to apply, please visit the AINSE website or contact AINSE.
