

AINSE

2025 WISE SCHOOL

WOMEN IN STEM AND ENTREPRENEURSHIP

ONLINE EVENT: 1–3 DECEMBER 2025

ON-SITE EVENT: 4–5 DECEMBER 2025 (SELECT STUDENTS)

Mentoring the next generation of leaders!

Explore groundbreaking research and innovation undertaken at ANSTO's landmark research infrastructure. Meet women in leadership roles within these fields, together with inspiring STEM professionals from a variety of backgrounds and experiences, and connect with established leaders who can mentor you throughout your future studies.

Female students in their first year of undergraduate studies (any degree!), who are interested in exploring the exciting career opportunities in nuclear science and engineering, are encouraged to apply.

The AINSE WISE School includes:

- An ongoing mentorship program throughout 2026;
- Virtual tours of ANSTO research facilities, including the OPAL multipurpose reactor, Australian Synchrotron, Centre for Accelerator Science and Australian Centre for Neutron Scattering;
- Workshops, panel sessions and high-profile guest speakers; and
- Networking opportunities with ANSTO researchers and students from across Australia and New Zealand

Interested students should complete the Expression of Interest form through the [AINSE Grants Platform](#).

For further information and to apply, please visit the AINSE website or contact AINSE.
