

VISITING SCIENTIST PROGRAM

APPLY NOW!

Access AINSE travel and accommodation funding while visiting ANSTO's Lucas Heights Campus to collaborate with leading researchers at world-class facilities.

- **Travel and accommodation support** for collaborative research at ANSTO Lucas Heights facilities (4 -12 weeks accommodation covered).

This program is available for academic researchers employed at AINSE Member Institutions (excluding ANSTO) undertaking a collaboration with ANSTO staff at the **Lucas Heights campus**.

Round 4 funding supports travel between **1st January 2027 – 31st December 2027**, and provides:

- Travel costs of one economy-class return flight (booked by AINSE) or equivalent driving expenses associated with the visit to Lucas Heights; and
- Accommodation costs (booked by AINSE), capped at A\$1,500/week, for total duration 4–12 weeks, associated with the visit to Lucas Heights.

For further information, including [terms & conditions](#), please visit the [AINSE website](#).
